We are proud members of the Sustainable Restaurant Association, a community of businesses working towards an environmentally restorative and socially progressive UK hospitality sector.

One Planet Plate is a global campaign that enables diners to vote with their fork for a better food future by choosing these 'sustainable specials'.

We have moved to a veg focused menu, with some seafood dishes, which is all made onboard using locally sourced ingredients with as much as possible coming from our farm in Backwell, as well as other suppliers from the region.

For our fish, we use MSC certified suppliers and choose MSC certified species. When buying farmed fish we choose organic. We use the Good Fish Guide to guide us on best sourcing methods, along with advice from the Marine Conservation Society.

All of our eggs are organic and free range, from Haresfield Farm in Wiltshire. Our milk and cream is from Bruton Dairy in the Cotswolds.
