

GRAIN BARGE

HOLD BAR

Grain Barge

Grain Barge started life as an engineless transport barge that carried barley and wheat from Bristol to Cardiff, across the Severn Estuary. Built in 1936 by the Charles Hill shipyard, the barge is now moored in Hotwells, opposite her original berth and near Brunel's SS Great Britain. The boat was bought and refitted in 2007. The new interior uses reclaimed and recycled materials that reflect the boat's industrial heritage.

Today, Grain Barge is a relaxed and friendly bar/restaurant with spectacular views across Bristol Harbour and the iconic SS Great Britain. Serving fresh, locally sourced dishes and a range of craft beers, ciders, wines, and coffees, this unique venue is the perfect location for everything from coffee with a friend to the wedding reception of your dreams. Relax below deck, enjoy panoramic views of the harbour from the light, bright restaurant, or sit up top and watch river life glide on by.

Hold Bar

With its attractive, cosy, wood-lined interior and windows looking out across the harbour at water level, our Hold Bar truly is a one-of-a-kind location for you to spend your special day with loved ones. Our dedicated Events Manager will work personally with you to plan your day from start to finish, down to the smallest details, and be there on the day to make sure everything runs smoothly.

Dining

We know how important good food is for your special day, and we have a long-standing reputation for the quality of our food. Our menu uses fresh, seasonal produce from our very own Five Acre Farm in Backwell, and (as with all aspects of our venue), we do our best to provide a sustainable, environmentally conscious service. Our menu does offer something for most dietary requirements or allergies, but please do let us know if you would like us to make any adjustments. As members of the Sustainable Restaurant Association, we offer a delicious selection of vegan and vegetarian dishes, and MSC certified seafood.

For wedding receptions we offer intimate restaurant-style dining for up to 20 guests, or for larger groups we offer our buffet service at a variety of price points. We can also cater canapés and late night snacks upon request.

Beverages

Our Hold Bar contains a fully stocked bar, including our ever-changing craft beers and ales that truly are a celebration of Bristol. We also offer a wide selection of vegan-friendly wines, champagnes and proseccos; and a premium range of local, independent spirits, plus the names you know and love.

Why not add a touch of class to your event with a glass of prosecco or champagne for your guests upon arrival? Would you like to provide an open bar/bar tab, or perhaps we can craft you a cocktail specific to your event? If there is something special you would like to request, please let us know and we will generate a quote for you.

Entertainment

What's a wedding without good music? Here at Grain Barge we are equipped with an in-house PA system that can accommodate everything from the father of the bride's speech, to your perfectly curated wedding playlist, to a 5 piece live band!

Transportation

Only a stone's-throw away from the city centre, Grain Barge is well-connected with several bus routes, and has space for taxis/ event transportation to pull up right out front. There is also a paid car park just next door (subject to availability).

Why not take advantage of our stunning harbour side location and arrive by boat, mooring on the Grain Barge level platform? Mooring is available to private hire boats, or alternatively we can put you in touch with our friends at Bristol Ferry for more information on marine event transportation.

Accessibility

As we are moored several feet below street level – depending on whether we are at high tide or low tide – we are not currently wheelchair accessible. All entrances to the boat are via stairs that can become quite steep at low tide. Please be aware that the Hold Bar itself is down a second set of stairs.

If members of your party are hard of hearing and would prefer for our staff to wear clear face visors as an alternative to facemasks, please let us know. We can also print large font menus upon request for guests who require them.

Under 18s

Here at Grain Barge we pride ourselves on being a family-friendly location to be enjoyed by all ages! We permit under 18's on board until our kitchen closes. After this point our license does not permit anyone under the age of 18 on board (including infants and toddlers). Under 18's are welcome on board between the times of:

Mon - Sat: 12pm - 9pm

Sun: 12pm - 6pm

Please let us know if you require high chairs or food suitable for young children at your event. We also have baby-changing facilities accessible to all customers on the same deck as our Hold Bar.

We look forward to welcoming you on board for your special day!
