We are proud members of the Sustainable Restaurant Association, a community of businesses working towards an environmentally restorative and socially progressive UK hospitality sector.

We serve a veg focused and seafood menu, all made on-board using locally sourced ingredients from our farm in Backwell, and other suppliers from the region. For our fish, we choose MSC certified suppliers and species. When buying farmed fish we choose organic. We use the Good Fish Guide to guide us on best sourcing methods, along with advice from the Marine Conservation Society. All of our eggs are organic and free range, from the southwest. Our milk and cream is from Bruton Dairy in the Cotswolds.

One Planet Plate is a global campaign that enables diners to vote with their fork for a better food future by choosing these 'sustainable specials'.
